

# COMMEMORATE THE SPIRIT OF OSU!

To celebrate the 2009 football season and the completion of Boone Pickens Stadium, the POSSE has commissioned a limited edition lithograph featuring orange-powered imagery of OSU's Spirit Rider.

Individually signed and numbered by artist Tim Jessell, these 20" x 30" art-quality lithographs are perfect for any Cowboy fan's home or office. Order yours today for only \$100 (while supplies last). Proceeds will directly benefit the O-Club.

A small number of "Raise the Roof" prints featuring Pistol Pete remain from the 2001 Athletics Center Grand Opening. These 18" x 27" prints are available for \$25 each.

*Note: All orders will be processed in the order they are received. Purchase of commemorative prints does NOT include POSSE benefits, Priority Points or tax-deductible receipt.*
